Subject: Wildlife Management for Hills of Childress Creek
Attachments: #1 Wildlife Management PWD 885-W7000.pdf; 1-D-1 Open Space Agricultural Valuation, Wildlife Management Annual Report for the Year(s).pdf

Hi Rick,

Attached are the two additional forms that I need them to complete along with the application that I sent them. They need to complete the 1st page of each form. Then they will need to complete the sections that pertain to what they are doing on their land. For Example, if they are doing food, water & shelter, they would complete these sections only. Both forms are very similar but need to both be completed. Once they complete one form, they can copy the information to the other form.
